Sir:

Applicants wish to thank the Examiner for the courtesies extended to the undersigned during the interview. Applicants traversed the restriction requirement in the August 2, 2004 Office Action of claims 132-137. In particular, Applicants noted that claim 132 corresponded to original claim 78 and claim 135 corresponded to original claim 81 and both original claims 78 and 81 were indicated to recite patentable subject matter in the Office Action dated July 10, 2003. Applicants agreed to file the accompanying response

and the Examiner indicated that the restriction requirement would be withdrawn in view of the response.

The Examiner is requested to phone the undersigned if the Examiner believes such would facilitate prosecution of the present application. The undersigned is available for telephone consultation at any time during normal business hours (Pacific Time Zone).

Respectfully submitted,

Dated: 9/2/04
